

# Forest Drive Re-Vegetation Feedback

**Site improvements along Forest Drive are currently in progress**

**We would like to hear what you think**

The first phase of site improvements to replace the blackberries and declining trees removed from the right-of-way along Forest Drive in 2008 is nearing completion.

- Do you have any suggestions about the work so far?
- We are planning to maintain the areas of new plantings – do you have any questions about maintenance?
- Do you have any questions about future phases of work and planting on Forest Drive?
- Please call or send an email to discuss the project or set up a meeting.
